

GLOW SOLAR

SUPPORT CAP EAST SOCCER, SAVE MONEY, & HELP THE ENVIRONMENT!

**Go solar with Glow Solar in 2023 and
Glow will discount your solar project \$750
and make a \$750 donation to Cap East Soccer.**

"The Capital East Soccer Club is very thankful for our new partnership with Glow Solar. As a partner, Glow Solar provides ongoing financial support to help our club keep running smoothly. Glow Solar representatives have previously volunteered their time serving on the Cap East board and continue to support us with kids playing for our club."

- Hawk Sullivan, Capital East Soccer Club Board President

Glow Solar can provide the information you need to determine if solar is right for you - at no cost & with no obligation.

Contact Glow Solar by September 30, 2023 to take advantage of this special offer.

Glow Solar is proud to be a supporting partner of the Cap East Soccer Club.

GLOW SOLAR

Curious about solar, but don't know where to begin? Let Glow Solar help.

WHY SOLAR?

A home solar system has many benefits.

- Significantly reduced energy costs.
- Protection against ever-rising utility rates.
- Increased energy independence.
- Increased property value with no tax impact.
- Environmental benefits of clean, renewable energy.
- Positive impressions with friends and neighbors.

WHY NOW?

Incentives & discounts cover over 30% of costs.

- Federal Investment Tax Credit covers 30% of the system's costs.
- Wisconsin Focus on Energy Solar Incentive delivers up to \$1,000 for the system.
- Wisconsin Renewable Energy State Sales and Use Tax Exemption saves 5% in avoided cost.
- Glow Solar's special Capital East Soccer Club fundraising discount provides \$750 in savings, plus a \$750 donation to support Cap East Soccer.

WHY GLOW SOLAR?

Glow Solar makes going solar easy, informative, and worry-free.

1. Contact Glow to get things started with a simple discussion about your home, energy needs, and priorities.
2. Glow will prepare a no-obligation solar system design tailored to your needs and space.
3. Glow will discuss the system and cost with you – including the energy production, electricity cost savings, environmental offsets, and financial incentives you can expect.
4. If you are interested in continuing, Glow will visit your home to gather information needed to finalize the system layout and answer any remaining questions you may have.
5. If you want to move forward, Glow will engineer and install your system using only Tier 1 equipment with industry-leading warranties to ensure reliable performance, longevity, and peace of mind.
6. After energization, Glow will monitor your system for a full year, provide monitoring so you can track your solar production, and happily answer questions you have at any time.

If at any time we don't think solar is right for you based on your home, needs, or priorities, we'll tell you. If you want help evaluating alternative proposals, we'll do so honestly and make sure you understand all significant differences.

Glow Solar, headquartered in Madison, WI, is a developer of turnkey solar energy systems for the residential, commercial and agricultural sectors. Glow takes pride in our midwestern roots and is committed to providing an amazing customer experience, focused on excellence, integrity, and respect, and to giving back to the communities we live and work in.

Glow can provide the information you need to determine if solar is right for you - at no cost & with no obligation. Call (833) 456-9765 or visit goglowsolar.com/capeast to get started.
